

STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Collection Statement must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Privacy and Data Protection Act 2014 (Vic)*. School Enrolment Privacy Collection Statements are located here

PARENTS: All parents have powers and responsibilities in relation to their children that can only be changed by a court order. The *Education and Care Services National Law Act 2010* refer to these powers and responsibilities as “parental responsibilities”. It is not affected by the relationship between the parents, such as whether or not they have lived together or are married. A court order, such as under the Family Law Act, may take away the authority of a parent to do something, or may give it to another person.

GUARDIANS A guardian of a child also has parental responsibilities. A legal guardian is given parental responsibilities by a court order. The definition of “guardian” under the *Education and Care Services National Law Act 2010* also covers situations where a child does not live with their parents and there are no court orders. In these cases. The guardian is the person the child lives with who has day-to-day care and control of the child.

COURT ORDERS RELATING TO THE CHILD

If you answer YES in the above table, please provide the following information;

1. Please bring the **original** court order/s for Enrolment Officer to note and make a copy to attach to this enrolment form;
 2. Please provide a brief description of the arrangements as you understand them as per the court order.
