1. School profile

Burnside Primary School is 22km West from Melbourne CBD in a rapidly growing suburban area. The school will work in partnership with the community to provide authentic learning opportunities and best academic outcomes for all students.

Burnside Primary School is a brand-new school, built to accommodate 475 primary students. The school truly presents as an innovative, unique and contemporary school. The curriculum, approach to pedagogy and culture that the new school develops will work in harmony with the design of the school buildings. At the new Burnside Primary School, architectural form and educational ethos align to emphasize creativity, collaboration, innovation, wellbeing and community engagement.

The Learning Communities have been carefully designed to allow for a flexible learning space incorporating a variety of different educational modes to take place in the one building. There are 2 Learning Community buildings which can each house up to 200 students.
