Dear Parents/Guardians

Re: Year 1 - 6 - Parent Payment Policy & Curriculum Contributions Information for 2024

Burnside Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for your support, either financial or volunteering of time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, STEM and physical education equipment and resources. This in turn supports them to be exemplary programs, together with our exceptional classroom teaching of the established subjects such as Reading, Writing and Maths.

Please find attached Burnside Primary School's Student financial contributions schedule for 2024, this includes an overview of what your contributions will help us to provide for your child.

This year we have added a new Library Levy, this has been added as we have commenced works on establishing a whole school library in the administration building for our students to enjoy.

Contributions can only be paid in the year they are allocated for; therefore, a more individual notice will be sent out will be sent home with your child in Term 1 of 2024.

From 2024, we will be introducing a new payment method via Sentral (known as Sentral Pay). Payments will be uploaded by the school and families can pay through the app. A how to guide will be sent out with your child's fee notification in early Term 1 2024

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

We thank all families for their continued support of our school, if you require any further information, please do not hesitate to contact the school if you have any queries or concerns.

Yours sincerely

Davide Lombardi
Principal
